Brief Description of Ministry: We live in Merida, Yucatan, Mexico. I am a second-generation, church-planting missionary. My family and I work alongside my parents, Larry and Tammy Allred, to plant churches in and around Merida. Our eventual goal is to plant churches throughout all of Mexico, Central America, and the world by training Christian leaders to follow the Lord and fulfill His calling to preach the gospel to every creature

Current Ministry Goals: Our ministry currently consists of four churches and a Bible seminary.

Our strategy involves...

1. Evangelism - Preaching the gospel to the lost both intentionally through organized church-led programs and opportunistically as the Lord opens the doors in the course of every-day life
2. Discipleship - Helping new believers grow in their relationship with the Lord through systematic study of God's Word
3. Leadership training - Helping mature, faithful, and committed church members prepare for part-time or full-time Christian service through our seminary program and in turn, working along-side the Christian leaders we have trained in the seminary to start new churches and establish those leaders as the national pastors of those churches with the goal of expanding our church-planting efforts beyond the borders of Mexico as the Lord allows and gives us guidance to do so.

Urgent or Ongoing Prayer Request: For our continual spiritual growth and for our church members' spiritual growth and commitment to the obedience of God's Word.

For protection against those who would seek our physical harm or seek to obstruct our ministry.

For good health and for provision.

For boldness to preach the gospel unapologetically, and for the lost in Merida and in Mexico.
