Brief Description of Ministry: Director of Global Faith Mission Agency, Cross Cultural Impact Ministries, Project Yucatan for Christ-a ministry that we established in 1980.

Current Ministry Goals: Our current goals are to promote global missions in churches and Bible colleges here in the U.S., recruit missionary candidates for domestic and foreign missions and increase our outreach with our Cross-Cultural Impact ministry.

Urgent or Ongoing Prayer Request: We need to expand our ability to minister from Headquarters of Global faith, which requires additional personnel and equipment. Edi's health, which currently she is enjoying good health and we pray that this continues. We also are in need of \$6,000 for our Cross-Cultural Impact ministry activity.
