Brief Description of Ministry: Reaching out with the gospel to Cambodians in South Philadelphia.

Current Ministry Goals: Our goal is to evangelize both English-speaking and Khmer-speaking Cambodian Americans in South Philadelphia, to disciple them and to start an independent Baptist church among them.

Urgent or Ongoing Prayer Request: Pray that we'll be able to locate and lease a building where we can meet with and teach Cambodians the gospel. Ultimately, we want to hold worship services there, but are also open to using it for other community outreaches as a means of making contacts and building relationships. The average rent for building in the area is \$1,000 a month. Currently we've raised just over \$6,000 toward this goal.

Please also pray that the Cambodian hearts will be open to us and to our message as we seek to build relationships and tell them about the Lord Jesus Christ.
