Brief Description of Ministry: Pastor of Quinte Baptist Church in Trenton.

Current Ministry Goals: Our goal is to grow this church and eventually turn it over to a Canadian national. We should see that happen in the late summer or fall of 2018. We have a young man who is serving with us here and is being groomed for that position.

Urgent or Ongoing Prayer Request: We are praying about planting a church in one of two locations, either Sarnia or Windsor, Ontario. Our most urgent request is the purchase of our building. There are some legal requirements we are working through at this time. The cost is \$69,900.00; a great price for Ontario.
