## Missionary Information

**Name:** Rodney and Lindy Kidd

**Location:** Mannheim, Germany

**Email:** [rlkidd@gmx.net](mailto:rlkidd@gmx.net)

**Brief Description of Ministry:** Church planting, discipleship and evangelism.

**Current Ministry Goals:** We just had a Bible exhibit where about 300 people came through, giving us the opportunity to share about the reliability of the biblical documents and then getting to the gospel through the life of Martin Luther. You cannot talk about the Bible in Germany without coming to him! His conversion gave us the opportunity to share Christ with many who do not know Him. Our next big goal will be to be present at the Christmas market in our area of town where we can be present as a church to let people know we are there to share Christ, as the opportunities arise.

**Urgent or Ongoing Prayer Request:** For the salvation of souls and for a successor for us in the ministry here.
