***Prep** – This is the time where we start to decorate the church for VBS. We will attend their Sunday morning services at the church and the church will pray for us as we lead this VBS.

***VBS** – This will be an all-day event from early morning til around 3pm. This will include games, songs, lessons, crafts, and even a mini sports camp. There will be around 200 kids at VBS this summer.

***NIGHT ACTIVITY** – We have included this in the cost. The nightly activities will include going to a local water park, a Drive in Movie Theatre, a minor league Baseball game, and renting a boat to watch the Fireworks on the 4th of July.

Where will my child sleep?

There is a family that attends this church that I know very well (my in-laws) who have offered to let us stay in their house for no cost. They live in a 3-story house with ample room for everyone. The girls will stay on the top floor with a bathroom and shower and the boys will stay on the first floor with a bathroom a shower.

How will my child be fed?

The host family will provide breakfast and lunch for us every day. For lunch, we will eat with the kids at VBS.
